

5 Reasons to choose North Summit!

Single Point of Contact

Throughout and even after your project is completed, you will have a single point of contact to assist you with any questions.

Along with direct contact numbers, there is no waiting on hold or speaking to someone who doesn't know who you are!

Competitive and Affordable Pricing

We keep our costs as low as possible without compromising the service we offer.

Our websites are so affordable, most of our clients we support are start-up businesses!

On-Site Meetings

Every business is different and has different demands. We can come and visit your business on-site to keep disruption to a minimum to your operations.

Also, it is a great chance for us to fully understand your business too!

Open Evenings and Weekends

Some people work early in the morning, some at night, some over the weekends.

Regardless of when you work, your project manager will be available to answer your questions. They will also be working to progress your project too!

We don't stop until you are 100% happy!

The project is only complete when you are 100% satisfied with the work.

We will continuously work together until the final product is tailored completely to your needs and expectations.
